Subject: Cooperation in Prevention of Ragging and Reporting of Suspicious Activities.

Dear Sir/Madam,

The Institute has commenced admissions for the First Year programmes, and a large number of newly admitted students will be visiting and residing on the campus.

As an establishment operating within the University campus, your cooperation is essential in maintaining a safe and ragging-free environment.

You are requested to kindly observe the following:

1. Do not permit any activity that may amount to ragging, harassment, intimidation, or humiliation of newly admitted students.
2. Immediately inform the Institute authorities if you notice any incident or suspected case of ragging, bullying, or misconduct involving students.
3. Encourage newly admitted students to report any such incident to the Institute without hesitation.
4. Display the Institute's Anti-Ragging contact numbers, being provided, at a prominent place in your establishment.
5. Extend all possible assistance to first-year students and their parents whenever required.
6. Cooperate with the Institute administration, Anti-Ragging Committee, Anti-Ragging Squad, and law enforcement agencies whenever necessary.

The Institute follows a **Zero Tolerance Policy** towards ragging. Any person found aiding, abetting, or concealing incidents of ragging may invite appropriate action as per the applicable laws and regulations.

Your cooperation in ensuring a safe and welcoming environment for our students is highly appreciated.

Yours faithfully,

Director
