

Important Guidelines Regarding Sponsorship

All teachers and students are hereby informed that prior approval of the Institute is mandatory before seeking, accepting, confirming, or publicising any sponsorship for any event, activity, club, guild, fest, competition, or student initiative.

No commitment shall be made to any sponsor without such approval.

Further, distribution, promotion, sampling, or consumption of any product that may adversely affect health, including energy drinks, energy boosters, stimulants, tobacco/nicotine-related products, or any similar items, shall not be permitted on the Institute campus or as part of any Institute activity.

Faculty coordinators and student coordinators are requested to ensure strict compliance with these guidelines.
